FROZEN UNCARBONATED BEVERAGE DISPENSERS

DESCRIPTION
Stoelting’s Frozen Uncarbonated Beverage Dispensers mix and serve a variety of frozen beverages including margaritas, granitas, slushes, coffee drinks, and dairy-based products. They are the ideal choice for bars and restaurants looking for flexibility, capacity and simple operation in a compact footprint.

FEATURES
- Push/Pull self-closing handle for easy, single hand operation
- Extremely quiet, lowest dBA in industry
- Base tray accommodates full-size, 32 oz. pitcher
- Large capacity, high volume drink production
- Can be configured to serve a variety of drinks
- Compact design requires zero clearance at the back, sits flush to the wall to allow for optimal countertop usage
- Customizable illuminated billboard space
- LED illuminated clear window showcases drinks
- Available in air-cooled or water-cooled
- Mix level indicator
- Single switch for simple operation and cleaning
- Integrated hopper cover prevents accidental spills in the hopper
- Torque cutoff prevents freeze-up
- 6 ft. (182.9 cm) cord with plug

WARRANTY:
Five years on major components; One year on labor and non-wear parts.

Continuous research leads to ongoing product improvements; therefore, these specifications are subject to change without notice and should not be used as installation specifications.

Every machine includes Stoelting’s White Glove Service. One call does it all – customer service, technical service, parts or warranty information, installation, startup, sales, on-site service dispatch and much more. Available 24 hours a day, seven days a week year-round.
